Subject Open Records Request for Delfasco Area in Grand Prairie, Texas

Mr. Turner,

As per our previous teleconference and your request, I have been able to locate a portion of the documents that you have request for review. However, due to agency file purging and records retention policies, I am not able to maintain all documents pertaining to the facilities listed within your request. As your request has been submitted to TCEQ Central Office in Austin, Texas (Official Agency Files Retained in Central Records), they will respond fully to any needs for additional information in this matter. In addition, You may contact the City of Grand Prairie Public Library (NASD and NWIRP DOD remediation document repository), The City of Grand Prairie Environmental Department (also maintains many documents), Mr. Rich Mayer, EPA Region 6 at (214) 665-7442, Mr. Allan Posnick, TCEQ (512) 239-2332; Mr. Ron Dildine, TCEQ (512) 239-4977, Mr. Jim Ferro, US Navy, (843) 743-2132, Ms. Sarah Reed, US Navy,(904) 542-6290, Mr. Jeff James, Ensafe, (972) 791-3222, and Mr. Ken Grim, Tetra Tech NUS, (832) 251-6023. Also, I am including a list of documents located to date.

Such Documents Include:

Computer Model Analysis of Ground Water Flow and Simulated Effects of Contaminant Remediation at Naval Weapons Industrial Reserve Plant-Dallas (NWIRP; SW Registration #31268; EPA ID #TX6170022770; HW Permit #50279);

Integrity of Production Wells and Confining Unit at the NWIRP-Dallas, TX 1995;

Offsite Southern Investigation, Phase II, NWIRP;

Offsite SE 14th Street Investigation, NWIRP;

Desfacco, Inc. correspondence and reports files, SW Registration #39846;

Kayco Composites correspondence file, SW Registration #35004;

NW 15th Street Ground Water Plume Site Residential Well Sampling Results, 2001;

State Superfund Site Screening Investigation SE 14th Street Ground Water Plume, EPA ID #TX0000605354;

Draft Technical Memo For Parcels 1 and 3 Clear Zone (Naval Air Station Dallas; NASD; SW Registration #65003; EPA ID #8170022786; HW Permit #50276);

Water Well Report NASD Clear Zone;

Offsite SE 14th Street Investigation, Phase II, NWIRP;

SE 14th Street Area Wells Analytical Data;

NWIRP Offsite Ground Water Data, 1999;

Additional Information for Response to Comments for SE 14th Street Investigation, NWIRP; and

SE 12th Street Residential Well Sampling Events, 1997 and 1998.

Hope this helps!

Tim
